

PRESS RELEASE

July 30, 2026

Gregg Wong joins AEMC[®] Instruments as the *NEW* Australia & New Zealand District Sales Engineer

Dover, NH – AEMC[®] Instruments, part of the Chauvin Arnoux Group[®], is pleased to announce the appointment of **Gregg Wong** as the new **Australia & New Zealand District Sales Engineer**. Gregg will be responsible for sales and customer support throughout Australia and New Zealand, working closely with distributors, customers, and industry partners to strengthen AEMC[®] Instruments presence in the region.

Having served AEMC[®] Instruments in several roles throughout his career, Gregg brings extensive experience in product management, technical training, field applications, and electrical test and measurement. His background and customer-focused approach make him well-equipped to support distributors and end users while expanding AEMC Instruments presence across Australia and New Zealand.

"I am excited to represent AEMC throughout Australia and New Zealand. Having worked across product management, technical training, and field application, I understand what it takes to support the people making the measurements - responsive communication, technical depth behind the product, and solutions that hold up in the field. I look forward to working closely with our distribution partners and end users to expand AEMC's presence and build on the company's strong reputation in the region."

Please join us in congratulating Gregg on his new role! He can be reached at gwong@aemc.com or (508) 698-5652.

AEMC[®] Instruments manufactures professional electrical test and measurement instruments for the industrial, commercial, and utility marketplace. Our products are backed by over 130 years of experience in test and measurement instruments and encompass the latest international standards for quality and safety. AEMC[®] products can be purchased through a worldwide network of distributors. www.aemc.com
