

PRESS RELEASE

April 24, 2023

John Perez joins AEMC[®] Instruments as a NEW District Sales Engineer

Dover, NH – AEMC[®] Instruments, part of the Chauvin Arnoux[®] Group announces the appointment of **John Perez** as District Sales Engineer. John will be responsible for sales covering the Southwest District including the following states: AR, LA, OK, TX, CO, NM, AZ, UT, HI.

Prior to joining AEMC[®] Instruments, Mr. Perez worked over 20 years as a Sales Engineer. He has extensive skills in business development, sales strategies, technical application, and customer relations. He has a strong knowledge of wireless protocols, optical test applications and solutions and power supplies. John is a team player and possesses excellent communication skills (in both English and Spanish) to drive business and grow our customer base. Mr. Perez holds a Bachelor of Science degree in Electronic Engineering.

AEMC[®] Instruments is excited to have John join our growing company. Please join us in welcoming him! You can reach John at jperez@aemc.com or (603) 241-8655.

AEMC[®] Instruments manufactures professional electrical test and measurement instruments for the industrial, commercial, and utility marketplace. Our products are backed by over 130 years of experience in test and measurement instruments and encompass the latest international standards for quality and safety. AEMC[®] Instruments products can be purchased through a worldwide network of distributors. www.aemc.com.
